

Turf Data

Locus AG's Terradigm[®] is proven through third-party, independent trials to increase root mass and nutrient uptake.

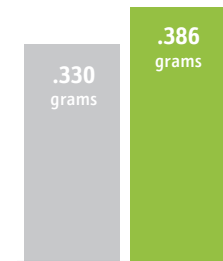

Clipping Weight (g)

Boosts root mass without increased mowing

Root Mass

Increased when Terradigm was applied

Third party data in Raleigh, NC

TERRADIGM
Natural & Sustainable Lawn Care

TESTIMONIAL

"I started applying Terradigm to my greens in July of 2021. The first thing I noticed this Spring was how quickly they greened up and how deep my roots were. It's the beginning of August and I regularly find roots beyond my cup cutter. My Terradigm application is as important as any input I make."

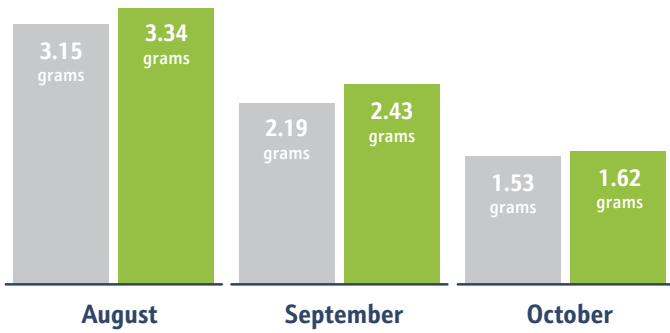

– Golf Course Superintendent, Melody Hill Country Club
